Town Council of Morristown
Anthony Cattano, Jr., President
200 South Street
Morristown NJ 07960

Dear Mr. Cattano and Members of the Town Council -

It is with great pleasure that we inform you of the incredible success of our "Rock & Run for Africa" 5K race and concert. Our 5K race had over 1,000 race participants and we raised over \$80,000 towards our goal to purchase a drill rig to drill wells in Africa.

On behalf of Liquid Church, I want to recognize the following people who helped us make our event a huge success. Each one of these men and women presented their area of expertise with skill, concise leadership and with a positive, fantastic attitude that made it a true pleasure to serve the city of Morristown. We are so grateful for each person and the pivotal role they played in helping our event be one of our best events to date.

- **Anthony Cattano & The Town Council** - for unanimously approving our request to hold our event - Thank you so much!
- **Glenn Coutts**, Trustees of the Green - for permission to use the Green as the central location for our concert and activities
- **Matthew Stechauner**, Town Clerk - for his organization and assistance in our application process with the Town of Morristown and coordination with the Police Dept.
- **Robin Kesselmeier**, Deputy Town Clerk - for her extraordinary assistance and advice in navigating the permit processes for the Town of Morristown
- **Captain Michael Ubertaccio** - for his exemplary expertise, advice and presence at our event
- **Sgt. Darnell Richardson** - for his expert logistical planning, advice and management of our 5K race. Sgt. Richardson was instrumental before and during our event and we are grateful for all his energy and effort to ensure that the traffic and race went smoothly! Well done!
- **Rick Wise**, Dept of Public Works - for his expertise in planning and outfitting our event and assigning **George Fyfe** to implement his plan on the event day - all under the constraints of short notice (on our part) - Both men did a fantastic job!
- **Captain Dominick Sandelli** of the First Aid Squad - for his skill and management of the 5K event and handling a few minor injuries with expert care
- **Tony Carbone**, Fire Official - for going above and beyond to personally ensure that we had the right permits and safety equipment on site for our event

- **Greg Deal**, Morristown Parking Authority - for his fast response and processing of our requests to reserve space around the Green
- **Darleene O'Connell, Jen Truong** and **Judy Nobile** of the Health Department - for their advice and assistance with our food permits

Liquid Church looks forward to working with these wonderful people and departments again in the future when we plan our next community wide event.

I have attached a copy of the event's coverage from the **Daily Record** for your review. Thank you all very much for your assistance in creating a memorable and worthwhile experience for all our participants.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tom Kang', written over the typed name and title.
